Technical Bulletin #300: Centers for Medicare and Medicaid Services (CMS) - Corrections to the Medicare Skilled Nursing Facility Payment Rates for FY2008

Today's Federal Register contained corrections to the final FY2008 Medicare skilled nursing facility payment rates. The corrections were necessitated by a revision to the labor-related portion of the per diem rates from 70.152% to 70.249%. The revised rates are listed on pages 55,085 through 55,089 of the Register.
