COUNTY	HOSPITAL NAME	LOCATION	OWNERSHIP	TYPE
	Number of Hospitals:	1		

Total Number of Hospitals: 223

Definitions:

Location

- Large Urban - hospitals located in Metropolitan Statistical Areas with greater than one million people
- Other Urban - hospitals located in Metropolitan Statistical Areas with a total population less than 1,000,000
- Rural - hospitals not located in a Metropolitan Statistical Area

Ownership

- Government - hospitals controlled by an agency of state, county, or city government
- Non-Profit - hospitals controlled by not-for-profit organizations
- Investor Owned - hospitals controlled on a for-profit basis by an individual, partnership, or profit-making corporation

Type

- General Medical & Surgical - hospitals delivering inpatient services that are not limited to specialty services defined below
- Psychiatric - hospitals delivering only inpatient and supportive acute mental illness treatment services.
- Rehabilitation - hospitals delivering only inpatient rehabilitation services
- Acute Long-Term Care - hospitals delivering extended medical and rehabilitative care to individuals with clinically complex problems, such as multiple acute or chronic conditions, who need hospital-level care for relatively extended periods
- Other Specialty - hospitals delivering services to limited types of patients not otherwise defined such as cancer, orthopedic, or chronic condition hospitals
- Children's - hospitals providing care to patients 0-17 years of age
