

Webinar: Revenue Cycle Update: Don't Get Derailed

July 26, 2011 ~ 10:30 – 11:30 a.m. CST

*Webinars are relatively short (1 to 2 hours), live, interactive presentations using the Internet and telephone conferencing lines. Each registration is entitled to **One** dial-in and **One** Internet connection. If you have a projector connected to the Internet and a speakerphone, your whole team can attend for the price of one! **The price quoted is per connection.** Once you register for the Webinar, we will send you a Toll Free Dial-in-Number, Login URL and the Participant Entry Code to be used for the webinar. It is that simple.*

Program Description

Get up-to-the-minute guidance on new regulations that can help – or hurt – your revenue cycle.

Gain a greater understanding of the latest healthcare regulations affecting your hospital's revenue cycle.

What you don't know can really hurt you in terms of revenue cycle management. In this course, QHR experts offer timely insights into the latest healthcare legislation and regulations impacting your revenue cycle. Make sense of the latest CMS policies and court decisions that have a direct bearing on your revenue cycle performance.

Learning Objectives:

- Stay current on fast-changing legislation and regulations affecting revenue cycle management
- Gain perspective on the latest court decisions and CMS policies that impact revenue cycle performance

Who Should Attend:

- Chief Financial Officers
- Directors/Managers of Patient Financial Services
- Revenue Cycle Professionals

Faculty:

David Jensen – Director, Revenue Cycle, QHR

David has more than 16 years of experience in revenue cycle operations. His experience includes leadership roles with consulting firms Ernst & Young, LLP and PricewaterhouseCoopers. David has also served as a key Revenue Cycle leader in large, Level I trauma centers.

Throughout his career, David has developed an in-depth knowledge of enabling technologies and leading practices utilized within today's hospital revenue cycle. He has experience in both multiple hospital and physician practice system implementations. In addition, he has assisted hospitals with various financial improvement initiatives, including strategic pricing, charge master improvement, charge capture enhancement and denial management.

About QHR

Quorum Health Resources (QHR) is a national leader in meeting the needs of rural hospitals and health systems, as the largest manager of not-for-profit, rural and Critical Access Hospitals in the U.S., the 7th largest hospital consulting firm, and the largest provider of hospital management education programs in the country. For more information, go to www.QHR.com.
