Improving Hospital Education on Safe Sleep

Thursday, Oct. 19, 2017
10 – 11:30 am

FACULTY
Jean Silvestri, MD, Clinical Director of the Neonatal Intensive Care Unit, Rush University Medical Center, Chicago
Nancy Maruyama, RN, BSN, Executive Director, SIDS of Illinois, Inc., Lisle
Amy Hill, MS, Associate Director, Injury Prevention and Research Center, Ann & Robert H. Lurie Children’s Hospital of Chicago
Amanda C. Bennett, PhD, CDC Assignee in Maternal and Child Health Epidemiology, Illinois Department of Public Health Office of Women’s Health and Family Services

WEBINAR DESCRIPTION
Learn about best practices on safe sleep education to pregnant women and families. Experts will discuss hospital survey responses shared with the Illinois Collaborative Improvement and Innovation Network (CoIIN) that describe individual hospital policies and education related to safe sleep. This webinar will explore current practices, challenges and opportunities to improve safe sleep education in hospitals.

LEARNING OBJECTIVES
At the end of this program, you’ll be able to:
- Assess gaps in hospital education on safe sleep
- Evaluate roadblocks to providing appropriate education to patients and other caregivers
- Learn best practices in safe sleep education in the hospital setting
- Develop opportunities to improve sleep education in your hospital

WHO SHOULD ATTEND
Hospital leaders and staff in the following units:
- Mother/baby
- Infant nurseries
- Neonatal intensive care
- Pediatric department
- Emergency department

REGISTRATION
There is no fee for this webinar.
